- 4. Spokane County Library District Community Conversation.**  
Alison Johnson, Librarian  
This would be a structured group conversation and is one of several I am hoping to have across the community. This conversation would not be about the library but about the Airway Heights community. We are hoping to better understand people's aspiration for their community, the concerns they have and what they believe might make a difference in strengthening the community. I hope to take what we learn from these conversations and use it to help make the library's work in the community more effective.
